Pénichette 935 W for Sale – 1990 – 38 HP – €22,000 incl. VAT, Negotiable
An authentic inland waterway cruiser at an attractive price – Ideal for a renovation project

Looking for a traditional inland waterway cruiser to restore and personalise to your own taste? This 1990 Pénichette 935 W offers an interesting opportunity for boating enthusiasts looking for an affordable boat and willing to undertake some refurbishment work.

Compact and practical, it retains the charm of the classic Pénichettes and offers an excellent starting point for a renovation project.

Key specifications

Model: Pénichette 935 W

Year: 1990

Length: Approx. 9.30 m

Beam: Approx. 3.10 m

Engine: Nanni N4.150 HE, 38 HP

Engine hours: 3,417

Asking price: €22,000 including VAT, negotiable

The highlights of the Pénichette 935 W

Compact dimensions, ideal for cruising on canals and rivers.

Functional interior layout designed for comfortable stays on board.

Raised indoor steering position providing good visibility while navigating.

Large opening roof to let in plenty of natural light.

Timeless appeal of a traditional inland waterway cruiser.

Work required – An opportunity for a hands-on buyer

The boat has suffered an incipient fire, which damaged the electrical system. Repair and restoration work will therefore be required before the boat can be returned to service.

This boat is best suited to an experienced buyer, a keen DIY enthusiast or someone with the technical skills needed to carry out the repairs and assess the restoration budget.

The asking price reflects the boat's current condition, giving its future owner the opportunity to undertake a renovation project tailored to their needs.

Interested in this boat?

Offered at €22,000 including VAT, negotiable, this Pénichette 935 W represents an opportunity for an enthusiast looking to restore a traditional inland waterway cruiser and give it a new lease of life.
