This boat can be viewed at our SCEY-SUR-SAÔNE base, in the Saône Valley (70360), France.

An authentic and affordable Pénichette

Compact and easy to manoeuvre, this boat features a raised helm position located two-thirds of the way along the boat, providing excellent visibility. It also benefits from a large opening sunroof.

The “W” designation refers to Classic® Pénichettes with a white hull and superstructure. All Classic Pénichettes are also equipped with bicycle racks, allowing you to enjoy cycling trips along the canals.

Key features of the Pénichette Terrasse® – Sleeps 5 to 7

Ideal for families

Forward cabin: double bed, washbasin and storage space

Bathroom: shower, washbasin and electric toilet

Sleeping area: one double bed and one single bed, arranged on either side of the central passageway

Hallway: wardrobe and additional storage space

Aft saloon: comfortable living area with fitted galley and a sofa that converts into a double bed

Interior helm station: raised position for excellent visibility, with a large opening sunroof
